**Evaluation:**

**Section c)**

**This section should include a summary of evidence collected on the achievement of PILOs, including an assessment of strengths and weaknesses revealed by this analysis. This section should also include a discussion of the follow up on any unresolved programme-related issues from the ACP report. It would be beneficial to include comments/recommendations of Departmental Academic Advisors (DAAs) and**

**Programme Advisory Committee in the evaluation of PILOs in this section and report the related improvement plans in Section (d) of the QA Report.**

*(Maximum three pages)*

**Section d)**

**Plan for improvement**

**This section should include an itemized list of proposed improvement actions, with measurable objectives/targets and timelines for each action. These should address the weaknesses and opportunities identified in the earlier sections.**

*(Maximum one page)*

**Overview:**

--

**Follow-up to CFQ results**

**This section should include a detailed action plan in follow-up to the student feedback collected via the CFQ exercise of which the improvement progress would require a longer term of monitoring.**

<b>Issues identified</b>	<b>Improvement action and rationale</b>	<b>Measurable objectives / targets</b>	<b>Time Frame</b>

### Follow-up to External Inputs

This section should include a detailed action plan to follow up on the external inputs collected from the recent ACP visit, the Departmental Academic Advisor (DAA) and the Programme Advisory Committee.
