Higher Diploma in Post-production (Editing and Sound Mixing)

This programme provides training to students so that they not only master all technical aspects of film editing and sound mixing, but also know how to apply their knowledge to realise the creative idea of any film, and tackle ongoing technical challenges. Graduates of the programme can handle small-scale post-production projects independently, and may enter the industry and participate in a vast spectrum of jobs in the post-production process.

Requirements

To attain the award of Higher Diploma, students are required to complete a total of 69 units. The programme consists of 54 units of core courses and 15 units of elective courses. Students are encouraged to take the optional and non-credit bearing professional internship during their study (normally the summer break of Year I study).
