- Remarks:
1. Students are required to take 6 units of BUSI1005/FINE3027/FINE3035 and GEST1005 from required courses; and 9-11 units from #R-GTSM-ELECT-001.
 2. Students have to take at least 2 courses (minor core courses included) offered by the Department of Physics (courses with GEST code) and at least 2 courses offered by the School of Business.
 3. Students that have taken any of the above listed courses to fulfill the unit requirement for any other major or minor programme cannot use the same course to fulfill the unit requirement for the minor programme in GTSM.
 4. Students of the Faculty of Science are not allowed to use GEST1005 Introduction to Green Energy and Smart Technology to fulfill the GTSM minor programme requirement.
 5. Therefore, students of the Faculty of Science have to take an additional elective course from #R-GTSM-ELECT-001 to fulfill the minor programme requirement.
 6. At least one 3-unit course taken must be at level 3 or above.

* 4-Year Curriculum
