Application for Transfer of Units – Students Returning from Exchange

General Regulations for Transfer of Units:

- (1) Normally, a student's transferred units (including units granted at the point of admission and units obtained through exchange programmes) should not exceed one-half of the total units required for graduation. **Senior Year Entrants admitted directly to Year 3 of study in 2015 or after** may receive an additional unit transfer of up to 16 units if they subsequently participate in an exchange programme.
- (2) The University reserves the right to refuse granting units for courses with grades below the equivalence of grade C in the University grading system, and for courses which are not at post-secondary level.
- (3) In some cases, students may be required to sit for proficiency test(s) or qualifying examination(s) prior to the granting of transfer units.
- (4) Units transferred from other institutions will be excluded from the calculation of Grade Point Average (GPA).

Application Procedures:

- (1) Application form should be submitted to the Undergraduate Studies Section of the Academic Registry, Room 701, Academic and Administration Building.
- (2) Students who wish to apply for transfer of units should:
 - a) complete the relevant part(s) of the application form;
 - b) submit the form(s) together with copies of the course outlines/syllabuses, academic transcripts, course assessment methods and original copies of transcripts for verification.
- (2) Application will be submitted to the relevant departments for recommendation. The final approval rests with the Academic Registrar.
- (3) Students will be notified of the result normally within three weeks after full submission of the supporting documents.
- (4) Students should not re-take courses that have been granted unit transfer.

Notes:

- 1) Students who are waiting for the issuance of official transcript by the exchange institutions may first submit an application with a student copy of transcript. However, the approval of unit transfer without an official transcript is conditional. Formal approval will only be confirmed upon receipt of the official transcript.**
- 2) No dropping of course / course withdrawal arising from approval of unit transfer will be allowed after the deadline for course withdrawal. As such, students should complete the unit transfer procedures by submitting the official transcript to the Academic Registry as early as possible.**
