Changes and Modifications

The University reserves the right to change the courses offered and modify the academic programme from time to time as approved by the Senate. For graduation requirements, a student should follow the *Calendar/Bulletin* issued in the year of admission; however, under special circumstances, a student may follow the *Calendar/Bulletin* issued in the year of completion of studies. If a student takes a period of suspension, the graduation requirements in the *Calendar/Bulletin* issued in the year of completion of studies must be followed. For courses that are no longer offered, the Academic Registrar/Dean of Graduate School or his designate may grant approval for substitution of equivalent courses based on the recommendations of the respective departments/programmes.
