

PRAD 4007 Public Relations and Advertising Internship (0,0,0)

Public Relations and Advertising students are encouraged to undertake a non-graded and zero-credit internship. The internship is normally of at least two months full-time employment or professional practice during the summer between the third and fourth years but it can be a minimum of 160 hours of work. Students are required to conform to all reasonable requirements of the organizations providing internship opportunities. Both the organization and the student file reports with the Communication Studies Department after the internship.

PRAD 4015 Advanced Advertising Design and Visualization (3,2,1)

Prerequisite: PRAD 3007 Advertising Design and Visualization
This course provides students advanced study of integration of design components in advertising campaign. It focuses on the creative and visual aspects of design solution. Students are required to generate creative ideas and visualize their concepts aided by computer. Learning will be emphasized through the hands-on practice of assignments and projects.

PRAD 4025 Branding and Communication (3,2,1)

Prerequisites: PRAD 3015 Consumer Perspectives in Public Relations and Advertising or ORGC 3006 Persuasion and Social Influence

This course investigates brands—why they are important, what they represent to consumers, and how advertising and PR professionals could enhance the value of a brand. The course discusses the concept of brand equity, how one creates brand equity and how one measures it. Marketing concepts and the role of integrated marketing communications (IMC) in building brand equity would be discussed.

PRAD 4026 Cross-cultural Advertising (3,3,0)

Prerequisite: PRAD 3015 Consumer Perspectives in Public Relations and Advertising

The course will help students understand the challenges and difficulties in designing and implementing advertising across different countries and societies. Students will learn about the issues of centralization versus decentralization and standardization versus localization. They will also learn practical issues such as regulation considerations and social responsibility of international advertising agencies.

PRAD 4027 Financial Public Relations (3,2,1)

Prerequisite: PRAD 2015 Principles and Practices of Public Relations

This course investigates the application of public relations in the financial sectors. It also examines how to develop trust and strengthen relationships between financial institutions and their various stakeholders via strategic financial marketing communication programmes.

PRAD 4035 Public Relations in Greater China (3,2,1)

This course investigates the development of public relations in the Greater China region, including mainland, Hong Kong, Taiwan and Macau. The global theory of public relations is included and discussed how to apply this theory to the Greater China region. In addition, we will analyse practices of multinational and local public relations firms in this region and how multinational corporations use public relations entering this market. To help students familiarize the practices of public relations in this region, we will also investigate different issues practitioners usually encounter in their practices. For better comprehend the concepts provided in this course, case studies will be provided.

PRAD 4036 Social Communication and Advertising (3,3,0)

Prerequisites: PRAD 2007 Principles and Methods of Advertising, PRAD 2015 Principles and Practices of Public Relations or PRAD 2005 Introduction to Public Relations and Advertising

This course provides an in-depth examination of advertising as a form of social communication in contemporary society. Stressed are the meanings and functions of advertising in modern culture and advertising's psychological, ideological, and sociological implications. Relevant ethical dimensions and responsibilities are elaborated.

PRAD 4895 Public Relations and Advertising Honours Project (3,*,*)

Prerequisite: Completion of PRA Year III

The project allows students to develop an independent, integrated communication management campaign proposal for an actual client. Under the guidance of advisers, students are assigned to work on an account (the client), research the competitive situation, identify the target audience, and construct a specific part of an integrated communication campaign. Students can also choose to conduct an original research study on a specific topic in the areas of public relations or advertising.

PSY 1110 Principles of Psychology (3,2,1) (E)

This course introduces the basic concepts in psychology and serves as a foundation course in psychology. Major topics include biological and developmental processes, perception and consciousness, learning and thinking, motivation and emotion, personality and individuality, adjustment and mental health, and social behaviour. The basic elements of research methods in psychology and the major psychological approaches to the study of behaviour are also discussed.

PSY 2110 Social Psychology (3,2,1) (E)

Prerequisite: PSY 1110 Principles of Psychology

This course is chiefly concerned with understanding the character of the influences of relationships, small groups, and the larger institutions of society. Topics include interpersonal attraction, discrimination, aggression, conformity, group processes and leadership, development of opinions and attitudes, and prosocial behaviour in terms of the thought and feelings of the individual involved. The personal and societal applications of social psychology are examined.
